LOCAL PROPERTY TAX CONSULTATION

Each year Dún Laoghaire Rathdown County Council must consider the Local Property Tax rate in the County. The Finance (Local Property Tax) Act 2012 gives councillors the power to increase or decrease the basic rate by +/- 15%. The Council will meet in September to consider adjusting the rate for 2020.

Residents are encouraged to make written submissions expressing their view on whether they would like to see the rate increased, decreased or unchanged.

Submissions must be received by Wednesday 14th August 2019 and may be made using one of the following methods:

- (1) Online via www.cormacdevlin.ie
- (2) By E-Mail to lptsubmissions@dlrcoco.ie
- (3) By post to Local Property Tax Submissions, FMS Section, County Hall, Marine Road, Dún Laoghaire, Co. Dublin. Submissions should be clearly marked "Proposed LPT Variation"

I have consistently voted to reduce the Local Property Tax rate by the maximum level. Nationally, Fianna Fáil is committed to ensuring that any review of the LPT creates no additional financial burden for householders.
